

The Machine that changed the world by Barrie Yates

Date: 15th January 2013

Start time: 7.30 pm

Location: Aire Valley Business Centre, Keighley (*see address details overleaf*)

A Talk by Barrie Yates on the evolution of the Motor car.

Love them or hate them, they are vital to our modern lives. Manufacturing methods have evolved in many diverse ways, each step lowering the price to consumers and bringing about universal ownership.

We will look at some of the events, people, and designs, that have influenced the progress of the motor car.

Be prepared to be informed and also entertained.

Join us for an interesting and informative evening in the company of Barrie Yates from the Leeds Society of Engineers, you won't be disappointed!

Address details:

Phoenix Service Solutions
Cedar House
Aire Valley Business Centre,
Lawkholme Lane
Keighley
BD21 3BB

Location map:

Check out the Keighley Association of Engineers website for details of future events.

We have updated our website and shortened the address to www.kaoe.org.uk please visit the site to see the new look – you will see that we have added Face Book and Twitter links – hope some of you will use these.

One of the improvements to the site is much easier editing facilities. If you have any photographs of recent events which are of compact form and can be emailed to me please do that and I will make sure they go on the new site.

Contributions to forthcoming site visits and lecture opportunities may be posted on the website. We look forward to your feedback.
