

A talk by Craig Brisbane on the history of Salford Sewage Works.

Date: Wednesday 24th February 2016
Start time: 7.30 p.m.
Location: Phoenix Service Solutions, Keighley.
(see address details overleaf)

Dear members and guests,

The Keighley Association of Engineers is pleased to announce its February event in the 2016 syllabus, an illustrated talk by KAE Member Mr Craig Brisbane on the history and development of Salford Sewage Works

Inspired by Sandy Maclure's talk to the Association on the 1850's Pumping Station on the Thames, Craig set off on a search for something similar oop north, and specifically on the Lancashire side of the Pennines. This talk is the result of that search.

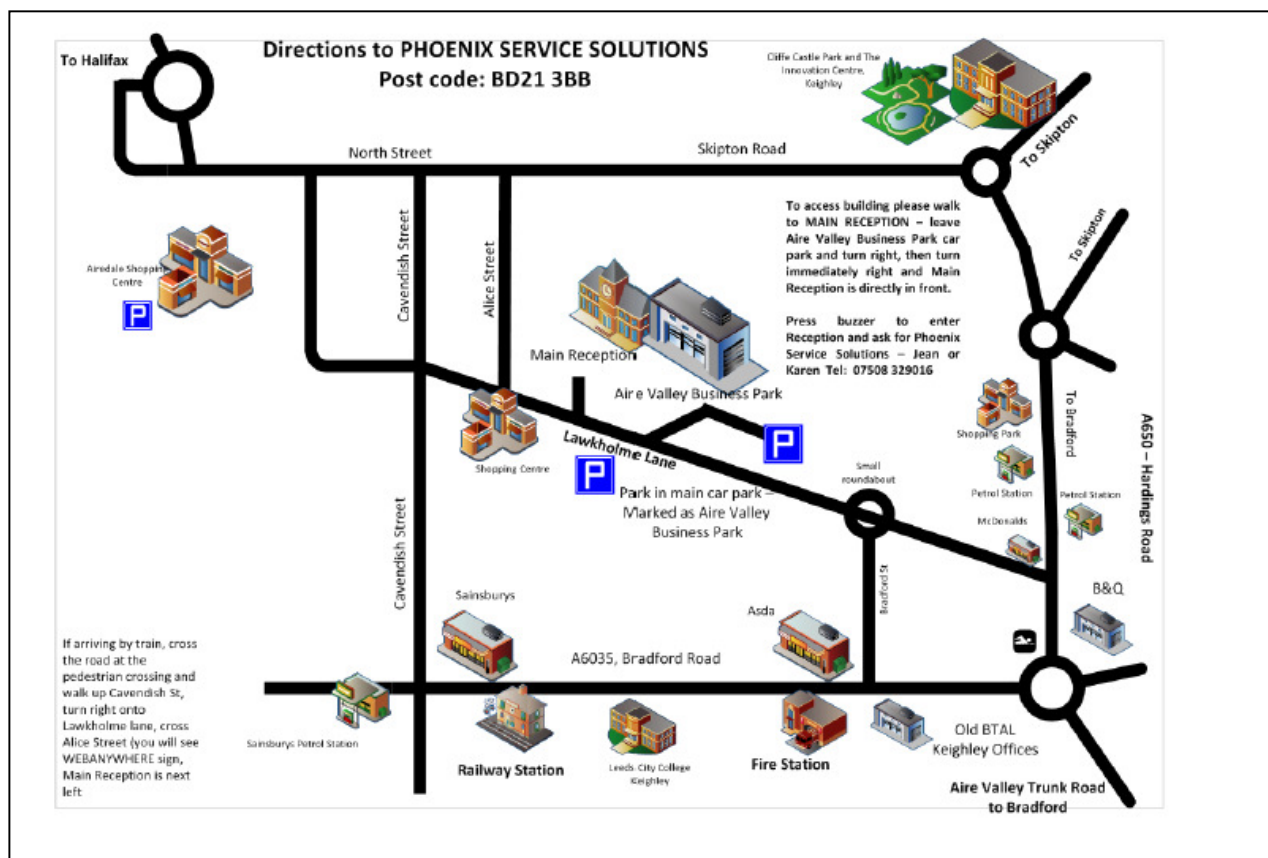

Join us for what will prove to be a fascinating historical talk on the development and use of Salford Sewage Works.

Prompt attendance for a 7.30 start is requested. We look forward to your company once again kindly hosted by Phoenix Service Solutions in Keighley.
