

Keighley Association of Engineers (2016 syllabus)

A visit to Headingley Water Treatment Works.

Date: Wednesday 12th October 2016
Start time: 1.30 p.m. to 3pm
Location: See address details below

Dear members and guests,

The Keighley Association of Engineers is pleased to announce its next event in the 2016 syllabus, a visit to Yorkshire Water's Headingley Water Treatment Works where we will learn about the water cycle, the environment and the processes that ensure Yorkshire has a constant supply of fresh drinking water

This will be a fully guided visit by Yorkshire Water staff and our party is limited to 18 so please book by email to John Pankhurst at jpankhurst@totalise.co.uk and by **Monday 10th October 2016 please.**

As car parking is limited if you can share cars that would be appreciated. Enter from Otley Road next to the Village Inn. A full location map and risk assessment can be found in the attached file.

Address details:

Headingley Water Treatment Woks, Otley Road, Headingley, Leeds, LS16 5JY

Check out the Keighley Association of Engineers website for details of future events at
