

## Visit to James Walker Moorflex Ltd

Date: 25<sup>th</sup> March 2013  
Start time: 7.30 p.m.  
Location: John Escritt Road, Bingley (see address details overleaf)

Dear members and guests,

The Keighley Association of Engineers is pleased to invite you to visit the James Walker Moorflex manufacturing plant in Bingley.

### **James Walker Moorflex**

James Walker manufactures and supplies complete ranges of metallic and semi-metallic joints, gaskets, sheet jointings and seals to suit every industrial application. Precision-cut flat gaskets to any shape size and quantity can be manufactured from almost any sheet material.

In the world of sealing technology, James Walker is a widely known and respected brand name with an enviable reputation for quality and reliability. For many users they are the first choice for trouble-free operations providing the oil, gas, petroleum and chemical processing industries.

Moorflex takes great pride in having achieved universal acceptance for providing gaskets used in sealing applications where extreme mechanical and thermal performance demands are considered routine.

There are many companies in the sealing industry. Very few can boast the quality of products, quality of service and quality of people found at Moorflex.

**Join us for an interesting, informative and entertaining visit to this world class manufacturing site.**

## Location map:

Check out the Keighley Association of Engineers website for details of future events.

We have updated our website and shortened the address to [www.kaoe.org.uk](http://www.kaoe.org.uk) please visit the site to see the new look – you will see that we have added Face Book and Twitter links – hope some of you will use these.

One of the improvements to the site is much easier editing facilities. If you have any photographs of recent events which are of compact form and can be emailed to me please do that and I will make sure they go on the new site.

Contributions to forthcoming site visits and lecture opportunities may be posted on the website. We look forward to your feedback.
