

## A talk by Mr Richard Gibbon on the manufacture of a historical model locomotive.

Date: Thursday 5<sup>th</sup> March 2014  
Start time: 7.30 p.m.  
Location: Phoenix Service Solutions, Keighley.  
(see address details overleaf)

**Dear members and guests,**

The Keighley Association of Engineers is pleased to announce its next event in the 2014 syllabus, a talk by Mr Richard Gibbon on the building of a one fifth full size model of the first Beyer Peacock Isle of Man Locomotive.

Richard Gibbon has an extensive railway preservation CV. He was head of Engineering & Collections at the National Railway Museum in York from 1989 until he retired in 2003.

He has remained very active since then as a Heritage Advisor to the Heritage Railway Association and also as an expert advisor to the Heritage Lottery Fund on railway matters.

Richard is also a current member of the Railway Heritage Committee.

"He was awarded the OBE (Officer of the Order of the British Empire) in the 2004 Queen's New Years Honours List for his services to Museums.

Richard was the former head of Engineering Collections at the National Railway Museum, York.

Join us for this engineering related talk on the challenges of model locomotive building and view the Beyer Peacock in all its glory. Expect an extremely interesting and informative evening.

**Prompt attendance for a 7.30 start is requested. We look forward to your company once again kindly hosted by Phoenix Service Solutions in Keighley.**
