

Talks by: Brian R. Clough on Walking the Leeds Liverpool Canal and driving a steam road locomotive
Date: Tuesday 18th October 2022
Start time: 7.30 p.m. to conclude at 9.00 p.m.
Location: **Keighley Civic Centre, North Street , Keighley BD21 3RZ**

Dear members and guests,

The Keighley Association of Engineers is pleased to present two illustrated talks by Honorary Life Member Brian R. Clough on

his personal experiences: 1. Walking the Leeds Liverpool Canal and,

2. driving a steam road roller (sometimes called a traction engine) on 270 miles of public road.

We are making this a social meeting suitable for spouses and guests, with tea/coffee available before and between each talk.

We have used Keighley Civic Centre before for an AGM (It was Keighley Police Station in another life) please book your places through our Syllabus Secretary John McCluskey

Email - jimcccluskey@btopenworld.com telephone – 07585 126503

Please Park (free) in the Scott Street Car Park behind Keighley Wetherspools – walk passed the back of Wetherspools left then right onto North Street passed Keighley Library to find Keighley Civic Centre on your right.

We hope you will be able to support this event.
