

Keighley Association of Engineers 2023 Summer Social
Friday 7th July 2023 starts 7.15 for 7.30 pm (casual smart dress)
At: New Quarry House, Lees moor, Bingley Rd, Keighley BD21 5QE - £10 per person

Menu:

After feedback from Members at our March 2023 Annual General Meeting we have decided to have a Summer Social. This will be a cold buffet and a choice of sweet. The cold buffet will include assorted sandwiches, meat, fish, pork pies, scotch eggs, sausages, cold pizza, samosas.

*If you have special dietary requirements, please include these on your reply slip which should be sent to **John McCluskey with payment no later than 1st July 2023.**

Any speeches will be very short ones to allow this event to be a less formal one giving more chance for mingling and socialising. There will be no seating plan – just choose your company and where you wish to sit.

Our New Quarry House venue has a large Barn which should ensure we have an informal enjoyable evening.

You will see that we have managed to hold the cost to £10 per person to encourage as many members and guests as possible to attend, and to celebrate with us our full return to normal activities.
