Dear Member or Guest, i am happy to invite you all to a visit at the Epta UK site. Epta UK is a major player in the commercial refrigeration sector, acting as a "turnkey" partner for retailers and the food industry. They don't just sell fridges; they manage the entire lifecycle from store layout and system design to manufacturing and 24/7 maintenance.

Guests are most welcome but please book your places for this visit by Monday 23rd February with Grant Hewitt - granthewittkaoe@hotmail.com and 07863654356.

PPE

Please ensure that Steel Toe Cap Boots are worn.

Overshoes can be provided if needed.

Access

Please arrive via the Highfield Road entrance and report to the Gate House . Please state that you are attending from the Keighley Engineers.

Parking

Parking is to left of the Gate House by the Showroom.
