

Keighley Association of Engineers (2026 syllabus)

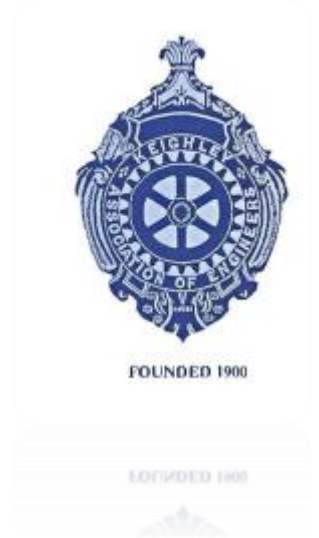

Event: Talk based on his company and what it does called
Resourceful Engineers Making Anything Possible
(REMAP)

By: William Jowett

Date: Wednesday 22nd April 2026

Time: 7.30 to 9pm

<https://remap.org.uk/>

Dear Member or Guest, I am happy to invite you all to a talk at the Keighley healthy living centre . This talk is based on the Airedale group of engineers that make and manufacture one off bespoke equipment for disabled people where equipment or solutions aren't always available

Guests are most welcome but please book your places for this visit by Monday 20th April with Grant Hewitt - granthewittkaoe@hotmail.com and 07863654356.

Access

Through the door on Scott Street, we are in the Devonshire suite

Parking

Parking on Scott Street in the carpark behind Wetherspoons
